PADDOCK PARKING:

All paddock parking is exclusively under the direction of and assigned by IMSA. Please refer to schedule for Series paddock load in times.

Parking Pass Procedure:

Teams may park personal vehicles in the infield (over bridge) in designated parking areas at any time during the Event if space is available using annual parking passes. An overflow crew lot is located just past hotel on the left. Once the overflow lot is full, teams will be directed to the lot at Competitor Entrance Gate 4. Shuttles and Trams operate beginning on Thursday, March 14th from the Gate 4 lot per the schedule below. Trams go directly to the competitor paddock and 2013 credentials are required to board. An IMSA delivery pass is provided to each team to permit 15 minute access to the infield only for dropping off/picking up and is NOT a parking pass. Cars in the infield without a proper parking pass are towed at operator's expense.

Shuttle/Tram Schedule from Gate 4:	Thursday, March 14 th - Friday, March 15 th :	6:00 am - 10:00 pm
	Saturday, March 16 th :	6:00 am - 11:00 pm

Receiving an annual parking pass does not guarantee infield parking is available. Carpooling is highly recommended as parking is at a premium.

Note: All competitors must vacate the paddock by 5:00 pm on Sunday, March 17th.

ON-SITE SEWING SERVICE: A seamstress is located under the pit lane structure facing the paddock toward pit-in to assist teams with sewing requirements Monday, 11th March through Thursday, 14th March. Hours of operation are 7:00 am - 6:00 pm.
